

# Defining a decision-making process

Explain how you'll listen, decide, and act while planning & facilitating

**Directions:** Complete the organizer below to articulate the decision-making process you'll use in your work.

How will we make decisions?
Why will we make decisions that way?
What will we do when there's a blocker or conflict that prevents us from moving ahead?
How will we listen and gather information for decision-making before, during, and after an event?
