

# Identify potential teammates

Brainstorm about different kinds of expertise and roles

**Directions:** Complete the organizer below to generate a list of potential co-facilitators for your work.

| Prompt  | Potential collaborators |
|---|-------------------------|
| Who might help me strengthen or cover a weakness I have as a facilitator? |                         |
| Who might help me reach an audience I struggle to reach?                  |                         |
| Who might help me reach the goals for this project?                       |                         |
| Who shares a passion for this work?                                       |                         |
| Who might be a great process person for design, planning, and reflection? |                         |
| Who might be a great logistics person?                                    |                         |
| Who might be a great documentation and reporting person?                  |                         |
| Who might be a great lead facilitator?                                    |                         |
| Who might be a great table-wrangler?                                      |                         |
| Who might be interested in this kind of professional development?         |                         |
